- ◇ Technology

Mission and Vision

Berkley Charter School is committed to Learning For All, Whatever It Takes! We provide an optimal learning environment that emphasizes researched based effective practices, time on task, and a rigorous challenging curriculum. Learning for each student includes ensuring that each child has the tools necessary to achieve at maximum potential. We are proud to have a well-trained, thoughtful staff that utilizes student data to drive instructional practices. Berkley has consistently performed better than state and district averages. Of the surveys returned, 95% of parents indicated they are pleased with the overall education that their child receives at Berkley.
