## Mission and Vision

Berkley Charter School is committed to Learning For All, Whatever It Takes! We provide an optimal learning environment that emphasizes researched-based effective practices, time on task, and integrated relevant curriculum. Learning for all includes ensuring that all students have the tools necessary to achieve optimal learn-

ing, as well as, providing a well-trained, caring staff that utilizes data to drive instructional practices. It is our goal for Berkley to stand out among the district. Below you will see a chart that depicts the percentage of Berkley students meeting high standards on the FCAT 2.0.

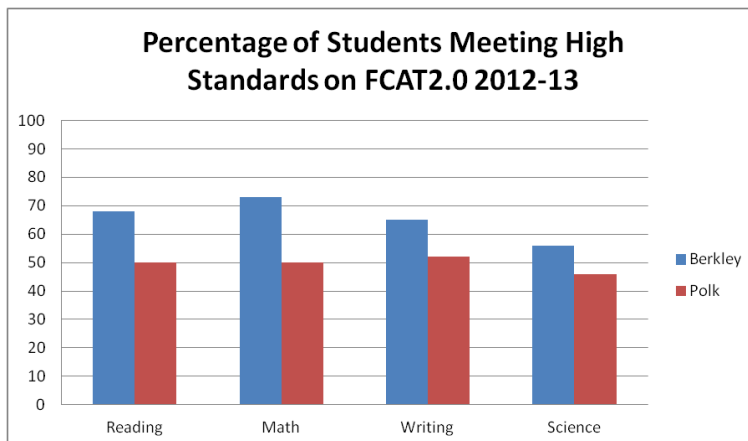

Berkley has consis-

tently performed better than the district average.

Of the parent surveys returned, 100% of parents indicated that they are pleased with the overall education that their child receives at Berkley.
