

# Berkley Second Grade Summer Expectations

**Reading** – Complete a reading log to document all of the books you read this summer. (Remember that one chapter equals one book on your log! 😊)

**Story Map** – Pick one story from your Reading Log and complete the “Mapping Out My Story!” worksheet.

**Writing** – Complete “The BEST Summer Activity” writing worksheet.

**Science** – Choose an animal and complete the “My Favorite Animal Report” worksheet. You can use books or the internet to compile your information.

**i-Ready Computer Program** – Complete 45 minutes on Reading and 45 minutes on Math every week. Log in to <https://login.i-ready.com>. The username is the first letter of your child’s first name, the first letter of your child’s last name, and their student id # (example – eh123456). The password is your child’s birthdate, month and day (example – for January 31st you would type ----> 0131)

**Math Facts** – Practice your addition and subtraction facts, 0–20. A great website to do this is on is [www.xtramath.org](http://www.xtramath.org).
