

4th Grade

Summer Homework

Math Facts

Practice your basic math facts using websites, apps, or flash cards for a **minimum of 15 minutes** a week. Students will be expected to answer 30 multiplication and division problems in 3 minutes for a weekly grade when school begins.

Math Websites:

www.multiplication.com

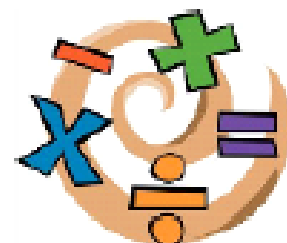

www.abcya.com/fourth_grade_computers.htm

www.funbrain.com/brain/MathBrain/MathBrain.html

<https://login.i-ready.com/>

Math Apps:

Factor Samurai, My Math Flash Card, Motion Math, Multiplying Acorns HD, Math Puppy

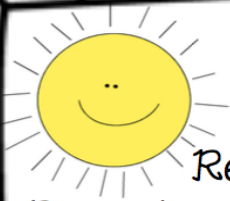

Reading

Read for at least twenty minutes each night. Record the title, author and date in the reading log provided. Students are encouraged to work on i-Ready reading lessons if they have an account.
