Voluntary SchoolMessenger Opt-In Consent Form for General Messages

Polk County Public Schools (PCPS) utilizes an automated parent notification system to quickly and efficiently notify parents of important school and district information. Such notices may include information regarding **school closures/delays, security alerts, absence notifications, cafeteria balances, and upcoming school activities.**

Due to recent changes to the Telephone Consumer Protection Act (TCPA), parents are now **required to provide prior expressed consent to receive automated communications on their mobile device.** This means parents must provide express consent to receive general messages through automated calls and/or SMS text messages on their mobile device(s). Consent is not required if the call or text is for emergency purposes or if made directly from a principal, teacher, or other staff member.

Note: you can revoke consent to receive these messages at any time. Please take a moment to fill out this consent form below indicating whether you desire to receive these important messages in the future.

I also certify that I will notify the school immediately if I change or deactivate this number.
