Meal payments need to be paid in advance either by cash, check, or online through MySchoolBucks.

- **Cash or check payments** may be made by the student in the mornings before school in the cafeteria, or payments can be sent to the office. Please note your students name and/or student ID number along with “lunch account” in the memo section of the check.
- **Online payments** may also be made through MySchoolBucks at <https://myschoolbucks.com>. When you create your login account, you will choose “Berkley Charter School” as your child’s district and then select “Berkley Charter School” again as your child’s school. You will also need your student’s six-digit local ID. Your child may already know their assigned number.

We also participate in the National School Lunch Program. Free and reduced priced meals are offered for those who qualify. If you are interested, you can complete an application and submit it to your child’s school. Applications are sent home in the beginning of the year packet that is given out at orientation or you can visit <https://berkleyknights.net/cafe/> to download a Free and Reduced Price Application.
