Welcome to the 26/27 School Year

We are thrilled to welcome everyone to the 2026-2027 school year! Whether you are a returning student and family or joining our Berkley community for the first time, we are excited to have you with us.

Each month, we will share a newsletter via email featuring important school announcements, the monthly lunch menu, and upcoming events and calendar reminders. To stay informed throughout the year, be sure to follow our Facebook page and visit our school website regularly for the latest news and updates.

We look forward to a wonderful year of learning, growth, and success together!

Parent Portal

We encourage all parents and guardians to stay actively involved in their child's education at Berkley. One of the best ways to monitor your child's academic progress is through the Parent Portal.

The Parent Portal provides families of students in grades K-5 with convenient access to important information, including assignments, grades, attendance, and results from recent benchmark assessments. You can access the Parent Portal by visiting: <https://polkk12.focusschoolsoftware.com>.

If you are logging in for the first time, you will need your child's student ID number and four-digit security PIN. To obtain your child's security PIN, please contact the school office at 863-968-5024. We are happy to assist you with setting up your account.

School Meals

Our cafeteria proudly serves nutritious, delicious breakfast and lunch options every school day. We encourage all students to start their day with a healthy breakfast and enjoy a balanced lunch to help them stay energized and ready to learn.

Full-price student meals (K-5) are \$1.35 for breakfast and \$2.70 for lunch. Reduced-price and free meal benefits are available for qualifying families. We encourage every family to complete a Free and Reduced-Price Meal Application to determine eligibility. Applications were included in students' orientation packets and are also available, throughout the school year, on our school website at <https://berkleyknights.net/cafe/>.

For families with paid meal accounts, funds can be added using the following methods:

- Cash or check can be sent in an envelope or baggie with the student's name, teacher, and ID number written on the outside and turned in to the office, cafe, or homeroom teacher.
- [MySchoolBucks.com](https://myschoolbucks.com) - Parents can set up an account on MySchoolBucks and deposit money electronically. When registering as a new user, choose Berkley Charter School as the district and again as the school name. You will also need your child's student ID number to register.

School Hours
7:50 - 3:00

Dismissal & Arrival Reminders

As we begin a new school year, please expect arrival and dismissal times to take a little longer than usual as students, families, and staff become familiar with our traffic patterns and transportation procedures. We appreciate your patience and cooperation during this transition.

To help ensure the safety of all students and keep traffic moving efficiently, please review the following reminders:

Arrival:

- Drop-off begins at 7:30am. Students may not be on campus before 7:30am.
- There are 2 locations to drop off: at the rear & at the front of the school.
- Pull all the way forward before letting students out.
- Only PreK parents with a visible ID badge may enter campus.

Dismissal:

- Display your child's car rider number for our staff when entering the campus (1st-5th grade).
- Kindergarten parents wait in the regular car rider line. Then pull forward to the kindergarten pickup area when you arrive at the kindergarten wing/building.
- The front gates are closed until 3:15pm. Enter from the rear of the school off Old Berkley Rd.
- Drivers should not drive the wrong way down the lane or double park, blocking the flow of traffic.
- Do not drive over sidewalks or drive/park on the private property outside the school gate.
- Car riders are dismissed to the front of the school.
- Walkers are dismissed at 3pm. Students may not loiter on campus or at the back of the school.
- Walkers should have a plan in place for rainy days PRIOR to inclement weather.
- Bus delays can be found on our school's website: Parents > Bus Delays & Information.

Open House

Our annual Open House will be held August 20th from 1:30 to 3:00pm. This will also be our first Early Release Day of the school year. During Open House, families are invited to drop-in to their student's classroom(s) for an overview of the exciting things planned for 26/27 school year.

Mission & Vision

Berkley Charter School is committed to Learning For All, Whatever It Takes! Our vision is for all students to perform at or above grade level in all academic areas. We provide an optimal learning environment that emphasizes research based practices, time on task, and an integrated relevant curriculum. Learning for all includes ensuring all students and teachers have the necessary resources needed for optimal learning, as well as, providing a well trained, caring staff that utilizes data to drive instructional practices.

GOALS

Berkley Charter School

Learning For All, Whatever It Takes!

Our vision is for all students to perform at or above grade level in all academic areas.

BERKLEY ASSURANCES

Students • Think and reason • Work collaboratively • Use effective social skills • Participate actively • Fully engaged in learning	Curriculum • Clearly defined • Relevant • Standards based • Supported by best practices
Teachers • Nurture children • Act as professionals • Learners themselves • Monitor student achievement • Instruct using best practices • Incorporate stimulating learning environments	Assessments • Varied and aligned with standards • Used to monitor student achievement • Used to monitor quality of education • Use data to make educational decisions
Administrators • Foster learning as a priority • Learners themselves • Engage in visionary leadership • Listen and respond to concerns • Facilitate and advocate for learning • Nurture, support, and empower students and staff	Learning Space • Safe and orderly • Attractive and inviting • Support technology • Flexible enough to support varied learning needs
Support Staff • Nurture children • Learners themselves • Flexible and adaptable • Act courteous and professional • Positive role models	Time • Is organized to foster learning • Accommodations for various learning rates • Enables staff to learn and collaborate • Safeguards time-on-task for academic achievement
Parents and Community • Informed • Partners in learning • Provide financial and human resources for support of student learning	Funding • Handled in a fiscally responsible manner • Budgeted to reflect the mission and vision of the school

It's all about engagement!

Kagan Cooperative Learning

Berkley Charter School is proud to be one of a very select number of Kagan Model Schools in the world! Our staff receives intensive and ongoing training on the use of Kagan Cooperative Learning Structures.

Cooperative Learning is when students work together towards learning a goal. They may work with a partner, team, or the whole class.

Kagan structures are a set of cooperative learning activities that have specific steps to ensure students work with positive interdependence, individual accountability, equal participation, and simultaneous interaction to ensure all students are actively engaged in learning. There are many well documented and researched academic, psychological, and social benefits of using Kagan Cooperative Learning. Using the structures regularly drastically reduces negative behaviors. Students are taught how to positively interact with one another through cooperation. Students are taught to offer encouragement, praise, and coaching to their classmates.

Learning For All, Whatever It Takes!

2026 Berkley Bullying Prevention Plan

- Create Classroom Communities
- Incorporate "Family" Meetings
- Teach Bullying Lessons
- Implement Character Education Activities
- Adhere to Anti-Bullying Policies
- Utilize Kagan Cooperative Learning Structures
- Provide Parent Tips in Newsletter & Student Agenda
- Focus on Reteaching Expectations

2026 Berkley Bullying Prevention Student Survey Results

Do you feel safe at school?

Do you think Berkley has a bullying problem?

Has your teacher taught bullying lessons?

Berkley is committed to prevent bullying and ensuring that every student feels safe, respected, and supported. Recognizing that bullying can have a significant impact on a student's emotional well-being and academic performance, we actively promote a culture of kindness, inclusion, and cooperation throughout our school community. Teachers and staff work closely with students to foster positive relationships and provide guidance on how to handle challenging situations respectfully. We also emphasize the importance of open communication so students feel safe reporting concerns to trusted adults. All reports of bullying are taken seriously and addressed promptly to ensure the safety and well-being of all students.

In a recent survey, 84% of students indicated they feel safe at school, 70% agreed that Berkley does not have a bullying problem, and 87% recall their teacher teaching bullying lessons throughout the school year. Additionally, 95% of students claim they've never bullied another student, however, 51% feel as though they have been bullied. When asked the best thing about Berkley, students overwhelmingly responded friends, teachers, and P.E./recess.

2026 Berkley Student Lunch Survey Results

Berkley participates and complies with the policies of the National School Lunch Program. It is our goal to run a food service program that is self-sustaining, while also providing our students with nutritious, well-balanced meal choices. In a recent survey, approximately 400 students from grades 2-5 responded to various questions related to our foodservice program. Overall, 31% of students reported eating school lunch on a daily basis. Students were also asked their lunch preference when eating school lunch. 84% said they typically choose the hot lunch option when eating school lunch. Additionally, 76% of the students who participated in the survey indicated that our food service staff is friendly and approximately 57% of the students indicated the appearance of the café was clean and pleasant during their visits. These results are similar to past years.

How often do you eat the school lunch?

When you eat the school lunch, what do you normally select?

How would you describe the foodservice staff?

As part of our ongoing commitment to health & wellness across our campus, our wellness committee meets annually to monitor and set goals for the development and implementation of our local School Wellness Policy. The current wellness policy may be found on our school website www.berkeleyknights.net under the café tab. Parents, students, representatives of the school food authority, teachers, school health professionals, board members, and the general public can participate in the development, implementation and annual review of the local school wellness policy. Please contact Jennifer Cervantes at jennifer.cervantes@berkeleyknights.net if you are interested in participating on our wellness committee.

Berkley Charter School

Dear K – 2nd Grade Parents/Guardians,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track our students' progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that our students will take the K-2 Renaissance Star assessments the week of August 24th. Student results from PM1 are for informational purposes, and parents will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions. These assessments typically take 15 minutes to 30 minutes to complete. If you or your student would like to review sample items at home, sample test items are available at <https://flfast.org/families.html>.

If you have any questions related to this test administration, you may contact Jennifer Cervantes at jennifer.cervantes@berkeleyknights.net. For more information about the Florida Statewide Assessments program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,
Jennifer Cervantes
Assistant Principal
Berkley Charter School

Berkley Charter School

Dear 3rd - 5th Grade Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks of Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will participate in the first administration (PM1) of Grades 3-5 Florida Assessment of Student Thinking (FAST) ELA Reading and Math assessments the week of August 31st. Your student's results from PM1 are for informational purposes, and you will be provided with information about how to access the results after testing is completed.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get easier or more difficult depending on how the student responds, and each student will see different questions from a common item bank. Each test attempt (PM1, PM2, and PM3) will present 35–40 items that will cover the entire test “blueprint,” meaning students will encounter items representative of the standards within the subject or grade level. For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST ELA Reading and Mathematics sample items at home, sample test materials are available at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to access any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing **or** during breaks (e.g., restroom). If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test may be invalidated.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites.

“Learning For All, Whatever It Takes”

Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**

- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss any testing accommodations that will be provided for your student.

If you have any questions related to this test administration, you may contact Jennifer Cervantes at jennifer.cervantes@berkeleyknights.net. For more information about the FAST program, please visit the portal at FLFAST.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,
Jennifer Cervantes
Assistant Principal
Berkley Charter School

Student Conduct:

School staff, parents, and students are all responsible for creating a culture of positive behavior. Discuss with your child the student conduct information below.

Parents and students must follow the school district's Student Code of Conduct. A frequent form of misconduct is bullying.

What is bullying?

Unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture by an adult or student that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment, cause discomfort or humiliation, or unreasonably interfere with the individual's school performance or participation.

Where Does Most Bullying Occur?

As with most harmful behavior among children, in general bullying occurs wherever there is the least structure and adult supervision. Most incidents tend to occur on the playground, in bathrooms, in locker rooms, in cafeterias, in cyberspace, at bus stops, and in the school bus.

What Can Parents and Students Do?

Tips for Parents:

- ✓ Encourage your child to talk to you. Praise your child for positive communication and behavior.
- ✓ Provide/ensure adequate supervision.
- ✓ Teach your child to be assertive rather than aggressive or violent when confronted by a bully.
- ✓ Verify that consistent messages about rules and safety are practiced in your child's school and staff is trained in bullying prevention.
- ✓ Build a relationship with your child's teachers and administrators.

Tips for Students:

- Stay away from bullies.
- Tell an adult.
- Avoid bad situations.
- Make friends.
- If bullied, tell the bully to stop; then walk away.

Did you know that research shows that at least half of all bullying can be prevented?

Did you know that according to the National Mental Health and Education Center, direct, physical bullying increases in elementary school, peaks in middle school, and declines in high school?

Protecting Children from Sexual Offenders and Predators – Tips for Parents and Students:

Florida has the strongest laws in the country to protect its youthful citizens from being abducted. However, parents and children themselves are the first line of defense. Talk to your children about following these rules:

- Stay away from any unfamiliar person who is trying to trick you or force you to go with him or her.
- Let your parents and other trusted adults know about any suspicious persons or situations.
- Learn to describe people and vehicles.
- Know where to run and how to forcibly resist capture.
- Scream to be seen and to scare a stranger away.
- Stay with a buddy, a group, or parents at the bus stop.
- Report anyone hanging around or passing by regularly.
- Accept a ride only from someone approved by the school.
- Walk or bike only along a route that your parents or the school has determined is safe.
- Lock the door and never tell callers you are home alone.

The Florida Department of Education and Florida's school districts are committed to the safety of Florida's students and schools. Students often walk, bike, or ride to and from school or the bus stop on their own or with parents, guardians, or others. This brochure offers important tips to parents, guardians, and students on how to stay safe, especially when the students are not with school officials who can help protect them. Please discuss these important tips with your children.

Florida Department of Education
School Transportation Management Office
Safe Schools Office
Revised July 2010

¹This information is designed to assist school districts in complying with requirements to provide safety information to parents, guardians, and students (Rule 6A-3.0121, Florida Administrative Code).

Tips for School Bus Riders:

School officials, bus operators, parents, and students themselves are all responsible for ensuring that school bus riders follow these safety tips:

At the bus stop:

- Students and parents are responsible for safety and proper behavior going to and from the stop and while waiting for the bus.
- Students must stand off the roadway while waiting.
- Students must respect other people’s property.
- Students must not push, shove, or engage in horseplay.
- Parents should supervise children at the stop if possible.
- Students must arrive at the bus stop at least five minutes prior to the scheduled pickup time.
- Students must wait for and get off the bus only at approved stop locations.

During loading and unloading:

- Always stay away from the 10 foot “danger zone” around the bus, except when you are directed by the driver to get on or off the bus.
- NEVER pick up an object that you drop under or near the bus. Ask the driver for help.
- Always be sure the driver can see you.
- Make sure clothing and backpacks have no loose drawstrings or long straps that could catch in the handrail or bus door.
- When you see the bus coming, stand at the stop and wait for the bus to come to a complete stop.
- Always wait for the driver to signal that it is safe to cross the road and/or load into the bus.
- When crossing a traffic lane, always look left, right, then left again; cross only if approaching traffic has stopped.
- Never walk behind the bus or along the side of the bus.

During the bus ride:

- Always follow the driver’s directions.
- Never distract the driver from driving unless there is immediate danger to you or others.
- Remain seated and keep the aisles clear.
- Eating, drinking, and chewing gum are prohibited.
- Never bring unsafe or unauthorized items into the bus.
- Always wear your seat belt if you have one.
- Always keep your arms, legs, and head inside the bus.
- Always show respect for your fellow students.
- Keep conversation at a reasonable level and remain quiet at railroad crossings. The Student Code of Conduct applies in the bus as well as in the classroom.

Did you know that the familiar yellow school bus is the safest way to and from school? Each year approximately 500 school-age children are killed in the United States during school transportation hours while using other modes of transportation. Only about two percent of the total deaths occur in or around school buses.

Tips for Riders in Cars, SUVs, and Trucks:

- ✓ Drivers and passengers in cars, SUVs, and trucks must always use appropriate safety restraints. Anyone transporting children needs a child safety seat, booster seat, or safety belt, depending on children’s sizes and ages.
- ✓ Preschool age children should always be restrained properly in a secured child safety restraint system, such as a rear-facing infant seat, rear-facing convertible seat, forward-facing convertible seat, or forward-facing-only seat appropriate to their age and weight range.
- ✓ All children who have outgrown child safety seats should be properly restrained in booster seats until they are at least 8 years old, unless they are at least 4’ 9” tall.
- ✓ The back seat is the safest place in a crash. Children age 12 and under should ride properly restrained in back. Infants riding in rear-facing seats must NEVER be placed in front of an air bag.

Tips for Parent Drivers and Teen Drivers:

To reduce energy usage, pollution, and traffic congestion in neighborhoods, consider walking or bicycling with your children or having them take the school bus. If you need to drive, follow these safety tips:

- ✓ When picking up children in the afternoon don’t arrive too early and hinder the movement of traffic in the neighborhood around the school.
- ✓ Wait in a single line and leave enough room so an emergency response vehicle would be able to get through.
- ✓ Don’t block driveways, sidewalks, mailboxes, disabled parking spaces, or fire hydrants, and don’t park on lawns.
- ✓ Don’t block access to or the view from side streets.
- ✓ Don’t back out onto any street from the school parking lot or from a side street.
- ✓ Try to arrange your drop off/pickup time after the peak rush hour and use designated loading and unloading areas.
- ✓ Always heed signs and the directions of school and law enforcement officials.
- ✓ Always obey posted speed limits and other traffic laws.
- ✓ Act as you would want people to act if it were your neighborhood.
- ✓ Be patient and understand that walkers, bicyclists, and school buses are trying to exit the school, too.
- ✓ Always ensure that you and your passengers buckle up.
- ✓ Never talk on a cell phone, text, or engage in other distractions while driving.

Did you know that young drivers, ages 15- to 20-years old, are especially vulnerable to death and injury on our roadways? Traffic crashes are the leading cause of death for teenagers in America. Mile for mile, teenagers are involved in three times as many fatal crashes as all other drivers. Most of the fatalities involving young drivers are the young drivers themselves and their passengers

Tips for Walking and Biking Safely:

Walking and biking to and from school can be a great way to get exercise, interact with your children, and teach them lifelong traffic safety skills. Know your child’s abilities and remember your child’s limitations. Children under 10 years of age are developmentally limited when it comes to judging speed and distance.

Walking

Teach, practice, and remind children to:

- ✓ Walk with an adult or responsible older child at all times.
- ✓ Children under 10 years old should cross the street only with an adult.
- ✓ Walk on the sidewalk if there is one.
- ✓ Walk facing the traffic, as far from the road/traffic as possible, if no sidewalk is available.
- ✓ Use traffic signals and marked crosswalks if available.
- ✓ Stop at the curb or edge of the road and look left, right and left for traffic before crossing the street.
- ✓ Walk; don’t run.
- ✓ Give drivers time to see you before crossing the street.
- ✓ Keep looking for cars while you are crossing.
- ✓ Wear white clothing or reflectors when walking in the dark or in low light.

Biking

Bicycles are vehicles and riders must follow Florida Traffic Laws.

Teach, practice, and remind children to:

- ✓ Always wear a helmet that is properly fitted.
- ✓ Whenever possible, ride with an adult or responsible older student.
- ✓ Always obey all traffic signs and signals.
- ✓ Ride on the right side of the road or trail in a single file (one bicycle behind another).
- ✓ Ride in the same direction as other vehicles.
- ✓ Go straight across railroad tracks.
- ✓ Always use proper hand signals when turning and stopping.
- ✓ Yield to pedestrians and alert them with a bicycle bell or your voice when passing.
